Blue & You Foundation awards $2.4 million in grants to improve health

LITTLE ROCK, Ark. (November 14, 2016) – From walking trails and playgrounds, to feeding programs to training medical providers, the Blue & You Foundation for a Healthier Arkansas touches the lives of many Arkansans. The Foundation recently awarded a total of $2,488,307 in grants to 31 health improvement programs in Arkansas.

“Our grants this year went to programs across the state that address such issues as nutrition and exercise, dental health, and medical professional education,” said Patrick O’Sullivan, executive director of the Blue & You Foundation.

Arkansas Blue Cross and Blue Shield established the Blue & You Foundation in 2001 as a charitable foundation to promote better health in Arkansas. The Blue & You Foundation awards grants annually to non-profit or governmental organizations and programs that positively affect the health of Arkansans.

In its 15 years of operation, the Blue & You Foundation has awarded more than $27 million to 1,036 health improvement programs in Arkansas.
