FOR IMMEDIATE RELEASE

Blue & You Foundation awards $2.7 million in grants to improve health throughout Arkansas

LITTLE ROCK, Ark. (November 16, 2018) – Blue & You Foundation for a Healthier Arkansas has awarded a total of $2,733,532 in grants to 42 health improvement programs that touch the lives of many Arkansans – from helping to train nurses ... to supporting community gardens and food programs ... to providing help in the fight against opioid abuse ... or funding dental services for the needy.

“Our grants this year went to programs throughout the state that address such issues as nutrition and exercise, food insecurity, emergency medical services and medical professional education,” said Patrick O’Sullivan, executive director of the Blue & You Foundation.

About the Blue & You Foundation
Arkansas Blue Cross and Blue Shield established the Blue & You Foundation in 2001 as a charitable foundation to promote better health in Arkansas. The Blue & You Foundation awards grants annually to nonprofit or governmental organizations and programs that positively affect the health of Arkansans.

In its 17 years of operation, the Blue & You Foundation has awarded $33 million to 1,566 health-improvement programs in Arkansas.

About this year’s grants
The grants awarded for 2019 are:

• Arkansas Children’s Foundation, Little Rock ($150,000) – The Tackling Asthma and
its Social Determinants Program will train 200 school nurses in management of asthma through the Arkansas School Nurse Academies.

- **Arkansas Council on Economic Education**, Little Rock ($12,350) – The Healthy Meals on a Tight Budget Program will educate 120 teachers throughout the state (in prekindergarten through 12th grade) on how to teach their students about preparing nutritious, low-cost meals (through six Cooking Matters workshops).

- **Arkansas Hunger Relief Alliance**, Little Rock ($83,808) – The Produce Gleaning and Gardening Expansion Program will work with three food banks to distribute fresh produce to 104,000 food-insecure Arkansans in 24 counties.

- **Arkansas Immunization Action Coalition**, Little Rock ($37,374) – The Arkansas Immunization Institution for Medical Assistants Program will provide eight immunization trainings (with continuing education credit) for approximately 250-350 Arkansas medical assistants.

- **Arkansas State University Foundation**, Jonesboro ($89,098) – The A-State SimBaby Project will purchase a pediatric simulator to provide 125 nursing students at the Jonesboro campus with simulation experience using a manikin (a model of the human body that is used for teaching anatomy, first-aid, etc.)

- **Arkansas State University-Mountain Home** ($130,302) – The Enhancing Student Success with Simulation Program will purchase simulation equipment, including a SimMan 3G and a female manikin.

- **Arkansas Zoological Foundation**, Little Rock ($143,500) – The Zoo will construct a physically and mentally stimulating playground to encourage families to enjoy the outdoors.

- **Augusta First United Methodist Church** ($10,000) – The Children’s Sack Lunch Program will provide healthy food for 30 children in the Augusta community during the summer and on weekends during the school year.

(more)
• **Baptist Health Foundation**, Little Rock ($60,000) – The Healthy Active Arkansas Baby Friendly Project Phase II will improve maternity care practices in delivery hospitals by adopting the 10 Steps to Successful Breastfeeding and achieving the Baby Friendly Hospital designation.

• **Bost Foundation**, Fort Smith ($6,546) – The ArTs at Bost Program will provide art classes and art activities for 95 individuals in Sebastian County who have behavioral health challenges or developmental disabilities.

• **Camp Aldersgate**, Little Rock ($32,603) – The Playground Renovation Program will renovate the existing playground, which serves approximately 400 special-needs children and youths each year.

• **Cherry Valley Food Pantry** ($10,000) – The Food for the Hungry Program will provide weekly food to 80-100 food-insecure families in Cherry Valley and Vanndale in Cross County.

• **City of Crossett Recreation Department** ($100,000) – The Crossett Swim Again Program will repair and improve the Crossett City Pool.

• **City of Pine Bluff** ($25,000) – The Community Garden Program will distribute fresh produce to 50-100 families who are food-insecure.

• **City of Pocahontas** ($21,200) – The Health and Fitness Project will provide exercise equipment for the Pocahontas Aquatic Center.

• **City of Thornton** ($27,772) – The Jaws of Life Program will purchase Jaws of Life hydraulic rescue tools to provide volunteer firefighters with the proper equipment to extract people from vehicular accidents in a safe manner.

• **City of Waldron** ($135,000) – The City Park Phase II Program will construct a basketball court, a sand pit with climbing boulders and dinosaurs and a playground area with swings and connecting sidewalks for development of a multiuse trail.

• **Criminal Justice Institute**, Little Rock ($150,000) – The Expanding the Arkansas (more)
Naloxone Project will provide naloxone administration training and 1,390 naloxone kits to 29 Arkansas law-enforcement agencies.

- **Dana’s House**, DeWitt ($5,000) – The Education and Learning Center will provide learning equipment, supplies, tutors and school expenses for 30-40 abused children.

- **Danville Area Chamber of Commerce** ($7,000) – The Danville Disc Golf Course Program seeks to increase the health and fitness level of the Danville community.

- **El Zócalo Immigrant Resource Center**, Little Rock ($10,000) – The Health Literacy for English Language Learner Families Program will improve access to healthcare and the quality of communication between participants and healthcare providers in central Arkansas.

- **Good Neighbor Food Cupboard**, Diamond City ($10,631) – The Freezer Program will purchase a walk-in freezer for use in the food pantry, serving 250 individuals monthly in this Boone County community.

- **Hamburg Fire Department** ($99,536) – The SCBA Replacement Program seeks to replace the department’s noncompliant self-contained breathing apparati (SCBA) by purchasing 13 new SCBAs to protect the city’s 21 firefighters.

- **Harvest Texarkana Regional Food Bank** ($30,000) – The Mobile Hunger Relief Program will purchase shelf-stable foods and fresh produce to be distributed (at mobile distribution events) to 14,000 food-insecure individuals.

- **Henderson State University Foundation**, Arkadelphia ($140,447) – Henderson State University will establish a Health Education Simulation Center for 32 nursing students. The center will include simulation equipment and professional-development services.

- **Hope-in-Action**, Hope ($12,000) – The Perishable Food Storage Program will purchase a walk-in cooler to keep produce fresh for distribution to 300 monthly food pantry clients.
• **Hot Spring County**, Malvern ($54,240) – The Firefighter Protective Turnout Suits Program will provide two full personal protective suits for each of 11 certified rural volunteer fire departments.

• **Ivy Center for Education**, Pine Bluff ($2,433) – The Club Scrub Future Medical Professionals Program will hold an eight-week workshop to interest 25 high school students in becoming doctors or other health professionals in Jefferson County.

• **McGehee Hospital** ($145,960) – The Establish a Chronic Care Management Program will hire two nurses to serve 300 patients who have chronic health conditions.

• **Museum of Discovery**, Little Rock ($87,750) – The Tinkering to a Healthier Brain Program will create a traveling exhibit about healthy brain development for 20 network member institutions throughout Arkansas.

• **Philander Smith College**, Little Rock ($149,978) – The Allied Health Simulation Lab will train 20 students yearly to become nursing professionals in the central Arkansas area by developing an Allied Health Simulation Lab for the accreditation of the nursing program.

• **Project HOPE Food Bank**, Hot Springs ($25,000) – The Senior Emergency Food Box Program will provide food to 900 senior citizens in the Garland County area.

• **Samaritan Community Center**, Rogers ($20,000) – The Samaritan Dental Hygiene and Oral Health Education Program will provide oral hygiene services to uninsured adults and oral health education opportunities to at-risk adults in northwest Arkansas.

• **Springdale School District** ($150,000) – The Safe Playground Renovation Program will provide play areas at five elementary schools in Springdale. The play areas will be open to the community when school is not in session.

• **Stop the Bleeding Foundation**, Jonesboro ($149,973) – The First Response Life
Saving Kits for North Central Arkansas Trauma Program will purchase 600 kits to train, certify and equip 600 north central Arkansas police officers, firefighters and first-responders to provide life-saving care in the field.

- **Trumann Food Pantry** ($25,000) – The Community Garden Project will expand the community garden in Trumann (Poinsett County).

- **University of Arkansas for Medical Sciences** (UAMS), Little Rock ($133,247) – The AR-IMPACT (Improving Multi-disciplinary Pain Care and Treatment) Program will continue its multidisciplinary video consultation team to aid 1,700 healthcare providers in identifying and using viable pain-management solutions for patients who have issues with opioid use.

- **University of Arkansas at Pine Bluff** (UAPB) ($109,630) – The Nursing Department and Campus Enhancements Program will provide enhanced clinical lab and automated external defibrillator (AED) training for 24 nursing students attending UAPB.

- **University of Arkansas Winthrop Rockefeller Institute**, Morrilton ($30,000) – The Rural Health Summit Initiative will retain and recruit primary care physicians and increase the use of innovative healthcare solutions in rural areas, by convening 120 stakeholders in rural health.

- **WelcomeHealth**, Fayetteville ($40,913) – The Restorative Dental Care Project will provide dental care for 1,129 low-income adults and children in northwest Arkansas.

- **White River Health System**, Batesville ($60,520) – The Telemedicine Project will purchase two satellite backpacks for telemedicine activities in areas that have little or no broadband support.

- **Youth Home**, Little Rock ($9,721) – The Youth Gardening for Emotional and Mental Health Program will allow 64 youths to build gardens for their emotional health.
